

ARJUN SUNDARESH

3rd Floor, No. 8 Krishna Kutir, No. 8 Venkatrathnam Road, Teynampet, Chennai-600018

Mobile: (+91) 9884732452; Email: arjunsundares93@gmail.com

Educational Qualification:

2011 - Present: SRM University - Bachelor of Technology (B.Tech.) in Software Engineering

2011 - Present: NIIT - GNIIT for Engineers

Academic Projects:

- SRM afterHours
 - Currently involved in the design and development on a website which would serve as a social networking website for my university. This project is part of my final year curriculum and is being built on PHP and MySQL.
 - This website will allows users having the 'Faculty' position to set up tests and upload notes, documents for the users with the 'Student ' position.
 - A usage monitoring system will be set up for observing the interests of the students. Google drive apis are being used to upload the documents into a drive accounts.
- Personal Digital Assistant (PDA)
 - Single-handedly designed and implemented a windows application for a Personal Digital Assistant.
 - Built using C# for the front-end and SQL Server for the backend.
 - The PDA is capable of managing contacts, sending e-mail and creating reminders for tasks/meetings.
- Pay2Purchase
 - Selected to be part of a team to represent the university in a national level competition to build this application.
 - This application serves as a stock manager for an organization. This application was built on PHP and MySql.

Technical Skills:

- Programming Languages: C#, Java, C, C++, Visual Basic
 - Web Scripting Languages: ASP.NET
 - Databases: MySql, SQL Server, XML
-

Honors and Achievements:

- Secured the first place in SESCON'14 a national level three day residential Software Application Development competition conducted by Sri Eshwar College of Engineering, Coimbatore.
 - Selected to be the Joint Secretary of the Software Engineering department at SRM.
 - Presented a technical paper on Advanced Lens Systems for SRM Research Day.
-

Relevant Coursework till date:

- SRM University: Digital Computer Fundamentals, Computer Organization and Architecture, Software Design, Software Architecture, Computer Networks, Operating Systems, Software Project Management
 - NIIT: C#, Java, SQL, ADO.NET, ASP.NET, XML
-
